GARMENT TO BE CREATED FOR:		
DESIGN/CHARACTER NAME:		
PANT SIZE:	SHIRT SIZE:	DRESS SIZE:

Please use the guide below for accurate measuring. Understand that the costume will be made according to the information you provide so please measure carefully - Correen's Creative Designs cannot be held responsible for mismeasurements.

When you wrap the measuring tape make sure it is not too tight or too loose. There should be no gap between the tape and body, but the tape should not sink into the skin at all.

GENERAL MEASUREMENT INFORMATION REQUIRED FOR ALL GARMENTS		
HEIGHT	From top of head to the floor (your standard height measurement).	
CHEST	Around the fullest part of chest.	
WAIST	Around narrowest part of waist.	
HIP	Around fullest part of hips. Please be sure you take the largest measurement in this area.	
SHOULDER TO WAIST (FRONT)	From highest point of shoulder (near neck) down over bust to the waistline - standing in usual posture.	
SHOULDER WIDTH	Measure across upper back from end of one shoulder bone (top of arm) to the other shoulder bone (top of arm). It's important to stand with your usual posture and shoulder position.	
NECK TO WAIST	From the nape of neck (top vertebrae where neck bends) to natural waist.	
INSEAM	From the crotch seam down inner leg to the bump on the ankle.	
ARM LENGTH	From shoulder tip down side of arm to preferred length of sleeves (with arm held straight). The shoulder tip is on top of the shoulder just near the arm.	
WRIST TO ELBOW	From where bone protrudes out at wrist to elbow	
WRIST	Around wrist right above hand.	
REQUIRED FOR DRESSES ONLY		
BUST	Around fullest part of bust.	
WAIST TO FLOOR	From natural waist to floor.	
SKIRT LENGTH	From side of the waistline (at smallest part of the waist) down the side of the leg to preferred skirt length.	
GARMENT LENGTH	From top of shoulder, down over the tip of one breast and down to the preferred length of the dress.	
REQUIRED FOR ONE PIECE GARMENTS ONLY (Max, One Piece Shark Boys, Rompers, etc.)		
GIRTH	From top of the left shoulder, take tape and wrap across diagonally to right groin, through legs and diagonally back up to meet left shoulder starting point.
